Clean better with Hotsy detergents

Hotsy pressure washers clean best when matched with specially formulated Hotsy detergents. More than 40 liquids and powders meet every cleaning need imaginable. Nearly all contain Hotsy's exclusive advanced-formula HCC additives to help prevent scale build-up and to fight corrosion in your equipment. Most Hotsy detergents are USDA and Canadian Agriculture approved. All are highly concentrated, so a little goes a long way.

Spend some time with a Hotsy Expert

Hotsy has more than 160 local dealers in North America, all factory-trained to properly evaluate your high-pressure cleaning needs.

Over 80% of Hotsy's dealers have been supporting Hotsy systems for more than 20 years.

Rely on our network of seasoned service professionals for the safest, most effective and most efficient solution to your specific cleaning need.

Save time and money by applying detergents with a foamer. Scan with your phone to see a foamer in action!

Hotsy Accessories customize your application for top performance

360° Pivot and non-pivot hose reels keep hose neatly stored and shop areas safe

High-pressure turbo nozzles for faster cleaning

Telescoping wands extend to 24' to reach high places without scaffolding

Heavy-duty high-pressure hoses in lengths up to 150-ft.

Rotary surface cleaner attaches to your pressure washer; reduces overspray and zebra striping
